Dear Parents/Carers

English Support Resources

Many of you will wonder how you can support your son or daughter in English, as the GCSEs approach. A lot of revision is available on Show My Homework, but we are now able to offer a range of guides and workbooks which you can use to support your son or daughter at this vital stage.

The books we are suggesting are ones that we have checked ourselves and which are geared to the exam board and texts studied here at the academy. Fortunately, we have been able to negotiate a discount for you, so that they cost as little as half the cost in the shops. These guides are available to all students in Year 10 and Year 11. Students on free school meals should see their English Teacher as we will subsidise the cost of guides on request.

The most important for revision are the guides, as they show different approaches to those already taught and can help refresh memories; however, the workbooks can be excellent for those who are not sure how to study and revise. The RRP for all these guides is £6 each. Payment is via Parentpay. We are ordering in two batches: **orders placed by 16th March should be available before the Easter holidays**; those after that date but before 9th April will be available at the beginning of the second week back. **We will close the orders on 9th April.**
