Dear Parents / Carers

Year 10 Work Experience

I am writing to you about Work Experience for Year 10 students.

At the start of the year we discussed the week that had been assigned to us for Work Experience which is the week of 26th June. However, despite our best efforts, a combination of cost and staffing issues has meant that, with great regret, we are not able to offer work experience this year.

As students now have to stay in education until they are 18, more schools and education providers are leaving Work Experience until Year 12. This is a more relevant time in some ways as more students have an idea about what they actually want to follow as a career.

We are happy to discuss private arrangements for individual students and would approve this in terms of attendance, in which case you will need to contact Ms Huett by Friday 5th May to discuss ideas that you may have.

Yours sincerely

Mr J Eddy
Deputy Head Teacher
